

Dear ISPE DVC Members,

As many of you are aware, the Delaware Valley Chapter has a prestigious award in honor of Buz Lange which we present each year at our Holiday Party to an individual who exemplifies strong professional leadership, with the ability to balance his or her personal life serving his or her family and community. We are seeking your nomination for the award at this time.

The Buz Lange Award was established in 1995 by John Cocco, the first president of the Delaware Valley Chapter. Currently, we are accepting nominations from the Chapter for an individual who emulates Buz's leadership, focus on innovation, teamwork and service. Buz was ahead of his time in many ways, which was obvious in his visionary thinking and inclusive behaviors.

Buz, a husband and father of three, received his Bachelor of Civil Engineering from Villanova University and went on to receive a master's degree in business administration from Drexel. He was a strong believer in education both in and out of the classroom. From the 1980s until his death in 1993, he spent countless hours with ISPE on the local and international level, and he was a mentor for many in the industry. Buz also contributed his talents to children and young adults through his volunteer work in local sports, charities and service project. He truly found his energy in coaching, refereeing and building needed facilities for Little League fields and church initiatives.

John Cocco reflects, "Buz was committed to serving others and strongly believed in the concept of sharing best practices and in creating healthy competition resulting in state-of-the-art delivery of medicines to those who need it. Buz leaves an enduring legacy of leadership, operational excellence, advocacy and community service."

The past ISPE DVC Chapter nominees and recipients of the Buz Lange Award are respected industry and community leaders. The Selection Committee is excited to receive nominations. Please complete the attached form and submit it to Laura-Ann Chin at president@ispedvc.org and copy Sandra Bones ISPE DVC Executive Vice President (execvp@ispedv.org).

Thank you,

Laura-Ann Chin, PE
