

LICENSE:

This publication in electronic format is being provided by the Publisher of the aforementioned work, the International Society for Pharmaceutical Engineering (ISPE). ISPE hereby grants to you, the end user, a personal revocable, limited, non-exclusive, royalty-free, nontransferable license to use this electronic file(s) conditioned on your continued compliance with the terms and conditions of this Legal Notice. You may print and download a single copy of the materials and information from this electronic file to a single computer solely for your personal or internal non-commercial use, provided that all hard copies contain all copyright and other applicable notices contained in such materials and information.

In the event that that computer becomes dysfunctional, such that you are unable to access the Publication(s), you may transfer the Publication(s) to another computer, provided that the Publication(s) is removed from the computer from which it is transferred and the use of the Publication(s) on the replacement computer otherwise complies with the terms of this Agreement.

Concurrent viewing of the Publication(s) on two or more computers is prohibited by this license. If Publication(s) are stored on your personal computer on a network, the Publication(s) should be locked so as not to be accessed by other users on the network. You may copy the Publication(s) file only for backup purposes.

Access to download this electronic file(s) is limited to a period of 30 days from the date of purchase and solely for your own personal use. Individuals other than the end user may not access or view this electronic file or use of supporting materials, whether electronically or in print and is strictly not permitted. You may not copy or otherwise reproduce any print or audio content, graphics, downloadable materials, or other elements of this electronic file. You may not re-sell or otherwise re-distribute, transmit, record, save, or reuse this electronic file(s) in whole or in part in any medium without the express prior written consent of ISPE. You are responsible for providing the minimum system requirements that are necessary to operate this electronic file(s) to view it properly.
