Update on Upcoming Documents

About the Speakers:
Timothy P. Howard, CPIP, PE, is a VP of Strategy and Development at Commissioning Agents, Inc. and President of DataVoke, Inc., a wholly owned software company of Commissioning Agents, Inc. Tim has been on International Board of Directors at ISPE since 2011, and is currently Chair. He was a member of the ISPE Task Team that developed the ASTM standard E2500 and a contributing author to ISPE Guidance Documents on ASTM E2500 Implementation. He is a qualified trainer for the ISPE training course on C&Q applications, regularly speaks at conference seminars worldwide, and is published in Pharmaceutical Engineering. Tim previously worked with Eli Lilly, is a former naval nuclear submarine officer, and was previously licensed as a senior reactor operator on a commercial nuclear power plant. He earned a B.S. degree in Mechanical Engineering from N.C. State University, is a Certified Pharmaceutical Industry Professional, and a licensed Professional Engineer in North Carolina.

Nick Haycocks is a Senior Engineer in Corporate Quality at Amgen Inc. Previously he has worked for Schering Plough and GSK in Engineering and Project Engineering roles. Nick has been involved in ISPE Guidance Documents development and committee task groups for many years. He has been on the ISPE LA Board, and currently is active on the ISPE LA Program Committee.
Featuring Local Food Trucks

Photos above are from last year's Food Trucks who are being invited again. We are also looking for an organic healthy food truck to add to the mix!

(click on their name to visit their Facebook page or Website):

**District Burger**
Popular burger truck offering beef, chicken and veggie burgers, fries and onion rings.

**BrewWings**
Featured on Food Network, this Buffalo wing food truck says their food pairs perfectly with beer. Try their wings and waffles or Kickin' Chicken Sandwich.

**Garcia Shack**
Authentic Mexican cuisine. The most popular food truck at ISPE LA's 2017 GMP Expo.

**Mad Pambazos**
Pressed crispy Mexican sandwiches, tacos and salads with yummy sauces.

**Blast Ice Cream**
Organic, locally sourced, scratch made ice cream that is frozen on the spot as you watch! Choose your flavor of ice cream and toppings or try one of their 18 unique creations such as S'mores, Gingah, Kettle Korn, Southern Apple Pie or Key Lime Pie.

Exhibitor Guidelines and Information

List of Attendees Needed:
Each exhibitor receives two attendees. Additional attendees will be $20 each.
Please email an Excel list of your guests along with payment if you have not already paid online.
Please make a separate column for first name, last name, company and email address, then mail to:
rob.fleming@yahoo.com

Set Up Time: 12:30 - 2:00 pm

Table Size: 6 feet long by 2½ feet wide

The following restrictions for table tops are set by ISPE Headquarters:

1) Exhibits must be staffed at all times during exhibit hours. Exhibitors may not take down display before closing hours.

2) Exhibits must conform to the following:
   • The entire display must be confined to the top of the table only (nothing will be allowed to hang off, behind, or along side).
   • The maximum height of any display shall be 60” above the table top including lights, signs, etc. However, taller roll up displays will also be allowed on the table or on the floor directly against the back of the table (looking as if it is part of the table).
   • The maximum width of any display shall be 72”. Displays must not overhang top of the table.
   • Only static displays are acceptable. No operating machinery of any type will be allowed, however, computers are acceptable.

3) ISPE reserves the right to restrict table top exhibits which are objectionable because of size, noise, glaring or flashing lights, method of operation, or any reason and, therefore, to prohibit or evict any exhibitor who, in the opinion of ISPE, may detract from the overall good of the exhibit. This reservation includes person, conduct, printed matter or anything ISPE judges to be objectionable.

4) Any failure to comply with the above restrictions may result in exclusion from participation in future ISPE table top events.

Shipping Information: There is no shipping to or from the venue. All display materials need to be brought with you to the venue and taken by you at the end of the event.

Area Hotels: We do not have a room block for sleeping rooms. Here is a list of area hotels:
DoubleTree San Pedro - Port of Los Angeles (nice hotel in the marina very close to the venue)
Best Western Plus San Pedro Hotel & Suites (have not stayed there, on busy street, but photos on line look nice)
Downtown Long Beach hotels (about 10 miles away): Hyatt Regency Long Beach, Hilton Long Beach, Hyatt Centric The Pike Long Beach, Renaissance Long Beach, Hotel Maya - DoubleTree, Westin Long Beach

Food and Beverage: No food or beverage of any kind shall be permitted to be brought into the premises. Exhibitors can hand out candy at their table, but not food or drinks.

Damages: The exhibitor(s) will be financially responsible for repair of any damage to walls, floors, permanent fixtures or furnishings.

Garbage and Trash Removal: Please remove all materials and empty cartons from your exhibit area upon conclusion of the event. All materials should be removed from exhibit areas when unattended. Neither ISPE nor the hotel are responsible for lost, damaged or stolen articles.

Signage: Items may NOT be affixed to walls with nails, push pins, tape, staples, or by any other means.

Smoking: Smoking is not allowed indoors. There is an outdoor smoking area. Inquire with the bartender.

These are table tops only, not exhibit booths. We have found that since these are small table tops, many vendors stand in front of their tables eliminating a barrier between you and your potential clients. Each table will be covered, however, you are welcome to bring your own table cover. Please let us know if you do not need a table cover. Your entire display must fit on your table with no items on the floor. Please see the next page which are guidelines established by ISPE explaining the maximum size of displays. Chairs will be available for those needing them.

Electricity: Each table will receive access to one plug, please bring a power strip and extension cord if more plugs are needed.

Payment: If you have not sent in your payment for your table top, please do so as soon as possible. We must receive your payment by April 26, 2018. TABLE TOP PAYMENTS WILL NOT BE ACCEPTED AT THE DOOR.

Deadline April 26, 2018 - Table Top Payment and List of Your Company’s Attendees Due

Pass The Word: This is your show. Please tell everyone in the industry about our event. We are competing with many other shows and to continue our success, we need your help. Please forward the event email to people you are in contact with at local biotech, pharmaceutical, medical device and related industry firms.
