Encinitas Ranch offers 18 championship holes in a unique setting carved from a magnificent sweep of bluffs overlooking the Pacific Ocean. Golfers are greeted by the wide, forgiving fairways of the front nine, but will find the back nine requiring precise tee shots for lower scores. Dramatic elevation changes add excitement to an already challenging course, while four sets of tees accommodate golfers of all levels.

DRIVING DIRECTIONS
From I-5
Exit Leucadia Boulevard East.
Turn left on Quail Gardens Drive.
The entrance is approximately 1/4-mile on the right.

Be sure to look up driving directions from your own starting point.

Note: Since golf tournaments play with teams of four, we cannot guarantee that your players will be on the same team unless you reserve a foursome. While we always do our best to keep players together, there may come a time when we will need to split up individual players.
