Enjoy a night of business networking in a social atmosphere where you will learn how to use the newest tools available for professional social networking at future events.
ISPE Women in Pharma® will provide women in the pharmaceutical industry a forum for connecting and collaborating on technical and career advancement topics and provide an opportunity for women to speak, deliver technical presentations, and contribute to panel discussions. A community of WIP mentors, resources across all levels, and educational sessions will be an enabler for career success and work-life balance.
